Minutes of the Meeting- IQAC

Academic Year 2018-19 Wednesday

27th July, 2018

Agenda:

- 3. Target setting for Students academic results of all department.**
- 4. Target setting for Placement**

Minutes of Meeting

The meeting was preceded by Principal Dr. D. D. Shah and IQAC Head Dr. Parul Arora discussed the agenda and purpose of the meeting. Principal Dr. D.D. shah guided the HODs for setting the result target department wise, subject wise and classwise. It is observed that FE results are average.

All the Deans and Hods actively participated in the discussion and gave their suggestion to improve the performance of FE students. In this view principal have suggested following remedies

1. To give assignment on daily basis for every subject
2. Department wise responsibility was given for each subject like FPL was given to Computer department, Basic electronics engineering will be taken care by E&TC department etc..

Principal Dr. D.D. shah sir suggested the HODs to set the subjectwise target by considering last three years university results considering the complexity of the subject and students performance in the subject.

It was also suggested that separated target to be set for lateral entry students for the first semester.

Prof Biradar Dean planning and development raised the concerned about the uncertainties in parameters like difficulty level of question paper of particular subject, evaluation etc..

Even it is observed that individual subject result is better while overall result is poor due to failure in different subjects.

Gat.No.720,Pune-Nagar road,Wagholi,Pune,412207

So there should be some efforts so that students can clear subjects with low difficulty level.

The another area of concern was placement of final year students.

The first priority is to get the students placed irrespective of core domain, package etc...

Dr. D.D. shah instructed prof. N.S. Biradar to schedule a meeting with training and placement coordinator and departmental TPC.

The meeting was concluded with appreciation of all the Hods and Deans for active involvement and suggestions by the IQAC team.
