EVENT REPORT

""DATA VISUALIZATION USING POWER BI""

1	Name of the Event	**Data visualization using power BI**
2	Day & Date of the Event	**28/07/2021 to 01/08/2021**
3	Time of the Event	**10.30 am To 01:30 pm**
4	Venue of the Event	**ICOER (C Building Seminar Hall)**

5. Description:

(a) Introduction, Theme & Objective:

Introduction:

Expert Lecture was conducted by the department of Computer, Wagholi on 28.07.2021 to 01.08.2022 from 10.30 am to 1.30 pm. Chief guest Mr.Jare Suraj Devram, Software Engineer Wipro, has taken a lecture on topic Data visualization using power BI in ICORE (C building Mechanical seminar hall) As a sign of gratitude and respect, bouquets and mementos were given to guest on their arrival. He has delivered lectures in various organizations and Universities. He also chaired technical session in National and International Conferences.

The speaker explains the Basics Data visualization using power BI. Power BI is a cloud-based business analytics service from Microsoft that enables anyone to visualize and analyze data, with better speed and efficiency. It is a powerful as well as a flexible tool for connecting with and analyzing a wide variety of data. The lecture also discussed about the possibilities and reach abilities of research and development in Data visualization.

Theme:

A Program was arranged by the computer department, where various technical and fundamental things required for data visualization in real world were discussed. A discussion round was conducted where students were asked about their interests in Data visualization using power BI and what can be added more to their interest which can further contribute to their growth.

Objectives:

1. To identify the importance of Data visualization using PowerBI.
2. To create awareness about new technologies and to know career opportunities for students in Data visualization.

(b) Conduction:

This event was planned for One day. Following image shows the Complete Schedule of this Training.

EVENT REPORT

"JAVA Training"

1	Name of the Event	JAVA Training
2	Day & Date of the Event	08/08/2021
3	Time of the Event	1.00 pm To 4:00 pm
4	Venue of the Event	ICOER (Google Meet Meetings Platform)

5.   Description:

(a) Introduction, Theme & Objective:

Introduction:

It is a planned strategy or activity for engineering students to advance their technical skill set and knowledge, which boosts performance and therefore helps them achieve their professional goals. The latest techniques, skills, and methodologies are acquired through training, which also helps students lay a solid basis for their JAVA career development. In a nutshell, we may state that it advances students' careers. This 45 Days Training gives students everything they need to succeed in tests, including sectional quizzes, easy-to-understand solutions, and detailed concepts for every exam subject. It also helps students strengthen their JAVA skills and build their weak areas JAVA.

Theme:

The 45-Day Program was set up online to inform and also make the SE & TE Students aware of the significance of JAVA from the point of view of placements.

Objectives:

1. To create the technical specifications for Java's essential placement role.
2. To offer students a thorough learning environment where they may improve their employability, technical skills, and readiness for the workforce while also getting hands-on experience in the corporate world.

(b) Conduction:

For 45 days, this event was planned.

(C) Response, participation & outcome:

The expertise that respected resource people shared with the students was beneficial to all of them. The students were assisted by this 10-day course in recognizing the contemporary trends as well as the technical abilities needed to succeed in campus interviews and land jobs with reputable organizations.
