CLASS ROOM

DEPARTMENT OF CIVIL ENGINEERING

INSTITUTE VISION AND MISSION

VISION

To satisfy the aspirations of youth force, who wants to lead nation towards prosperity through techno-economic development.

MISSION

To provide, nurture and maintain an environment of high academic excellence, research and entrepreneurship for all aspiring students, which will prepare them to face global challenges maintaining high ethical and moral standards.

DEPARTMENT OF CIVIL ENGINEERING

VISION

To provide healthy academic environment for Civil Engineering students to serve the society.

MISSION

- 1) To nurture engineering graduates for professional career through dynamic teaching-learning environment.
- 2) To create an ambience for innovations and research in Civil Engineering areas.
- 3) To serve society through leadership, moral and ethical values in Civil Engineering areas.

DEPARTMENT OF CIVIL ENGINEERING

Program Educational Objectives (PEOs)

PEO1: The graduates from Department of Civil Engineering shall be able to serve successfully in Civil Engineering profession through use of appropriate technology for the development of urban, rural infrastructures.

PEO2: The graduates from Department of Civil Engineering shall be able to demonstrate leadership, professional ethics with proper management of manpower and finance.

PEO3: The graduates from Department of Civil Engineering shall be able to engage in innovative ideas, research for sustainable solutions to various domains of Civil Engineering.

Program Specific Outcomes (PSOs)

PSO1: Civil Engineering graduates will be able to design various Civil Engineering structures to meet desired needs within the realistic constraints such as economic, environmental, social, regulatory, ethical, health, safety in rural and urban infrastructure.

PSO2: Civil Engineering graduates will be able to conduct laboratory experiments and critically to interpret data related for foundation design, testing of materials, construction of various Civil Engineering structures.

PSO3: Civil Engineering graduates will be able to apply the techniques, skills, and modern software tools necessary for profession particularly in the areas of environmental/water resources, geotechnical, structural and transportation Engineering.

Imperial College of Engineering & Research, Wagholi, Pune
Approved by AICTE, India & State Government, Maharashtra, Savitribai Phule Pune University
 Recognized by P.M.A. with 'A' Grade
 Cell. No. 726, Purna-Rajgarh Road, Wagholi, Pune 412 207.
