### **5.3.2 Number of sports and cultural events/competitions in which students of the Institution participated year-wise during last five years**

Students of the institute participate in various Sports and Cultural competitions at University, State and National level. Cultural Programs are organized to provide a platform for expression of talent and culture, which mark our respect for cultural diversity. The students are encouraged to participate in the sports activities. Apart from student's participation in various Sports/cultural events outside the campus, the institute organizes two mega events Cresta & Cynosure thereby promoting students for participating in various extracurricular activities. The necessary facilities are provided and adequate funds are allocated. The sports and cultural committees arrange and coordinate the extra-curricular activities.

## **Annual Report of ARTISTA**

**Academic Year 2017-18**

**ARTISTA** is an art initiative group in the civil department. The group is run by the students and for the students. It is not just bonded to the civil department but open for all the students from all over college. Student make sketches, paintings, write articles and display it on the ARTISTA board. Every month the theme based programme has been arranged where students get together to share their thoughts through art and experience. It is a best practice in the department for extra curriculum activities.

From the beginning Artista is been following the culture to have innovative theme every month; where students get together for the goodness. This culture has been motivating students to work together. Artista is the bonding culture between all the students in department. This is the second year of ARTISTA.

**Photo1: Group of Students at ARTISTA board.**

**Theme of the month**

**December 2017: Christmas Celebration.**

In the beginning of second semester Artista celebrated Christmas on the Christmas evening. The Artista board was decorated by Christmas theme. Students as well as faculty members offered gifts to each other as a secret Santa. The whole department enjoyed the Christmas.

#### 5. Description:

##### (a) Introduction, Theme & Significance:

###### Introduction:

A **chess tournament** is a series of chess games played competitively to determine a winning individual or team. Since chess inherently has the first move advantage for white, to ensure fairness, the players have to face each other in equally number of white and black games.

###### Theme

Chess Tournament is organized to improve **brain** performance. The chess-playing patients exhibited increased attention, planning, and reasoning abilities.

###### Significance

Game like **chess** actually stimulates the growth of dendrites, which in turn increases the speed and improves the quality of neural communication throughout your brain. Increased processing power improves the performance of your body's computer, the brain.

#### 5. Description:

##### (a) Introduction, Theme & Significance:

A poster presentation, with an academic or professional focus, is the presentation of research information, any new technology, usually peer-reviewed work, in the form of a paper poster that participants may view. A poster session is an event at which many such posters are presented.

Poster presentations may not seem as prestigious as oral presentations, but they are a great opportunity to interact with other scientists and technologies in your field in a reasonably structured way. Just like oral presentations, they force you to crystallize your thoughts about your research and, in this way, focus on its essence. We arranged Poster Presentation Competition for improvement of student's level of thinking in technical aspect.

##### (b) Conduction and execution details:

The Poster Presentation Competition was judged by Prof. P. Kumar & Prof. N.N.kulkarni; both are working as an Assistant Professor in E&Tc department of Imperial College & Engineering & Research, Wagholi.

##### (C) Students response & participation:

For this particular Competition near about 40 students were participated. The judgment of poster is based on a way of presenting poster; their confidence level, technical knowledge etc.

**5 Description**

**(a)Introduction, Theme & Significance**

**m) Introduction**

Derived from the Sanskrit word 'Mendikha', mehndi is a paste made from turmeric which is widely used in weddings and even festivals such as Ganesh Chaturthi and much more. With time and evolving trends, mehndi designs have grown from being simple to ornate. Department of Mechanical Engineering organized "**Mehndi Competition**" in the college campus at 'C' building Seminar hall on Wednesday 12<sup>th</sup> September 2018. Students participated in the competitions with full zeal and zeal.

**n) Theme**

Ganesh Chaturthi is one of the most awaited festivals. During this 10-day festival, we often overlook the aftermath of the celebration. On the occasion of Ganesh festival Department of Mechanical Engineering organized Mehndi Competition for the girl students of all the departments. Mehndi is made by grinding dry henna leaves into a fine powder using water. The semi-wet paste is put into cones for application on hands, feet and other body part of women.

- Mechanical Engineering Department and a team of Imperial College of Engineering & research, Wagholi celebrates “**Annual Social Gathering CRESTA 2020**”for all students, teaching and non-teaching faculty members of ICOER to encourage them, motivate them, to show their talents in front of all.

**(a)Introduction, Theme & Significance:**

**Introduction:**

The annual day was bound to be a befitting occasion for the spontaneous outburst of high spiritedness in a wide range of creativity. CRESTA is not just only college fest. It is an emotion, a feeling and a culture that is shared by each and every member of the ICOER. It includes dance, music and drama fashion and so on. It is a platform where we make friends, create memories, cherish moments and spread happiness. It is a stage that gives every student the opportunity to display their talents, make friends and have a hell lot of fun. Every year, annual social gathering of ICOR has reached to its highest level of success because of participation of each and every one who is a part of ICOER family.

**Theme:**

Annual Social Gathering is an integral part of our college activities. It is an occasion of celebration, felicitation, feast and festivity when students present not only their wonderful performances but also receive honours for their curricular and co-curricular achievements by the chief guests of the program. This event was planned by Department of Mechanical Engineering department on the behalf of ICOER under the observation, guidance and instructions of Wagholi Campus Director, Principal of ICOER and all dignitaries of JSPM's Wagholi Campus.

**Significance:**

JSPM's Imperial College of Engineering & Research, Wagholi Campus celebrates “**Annual Social Gathering CRESTA 2020**”for students to engage students and prepare them for the real world, college and universities organize college fests and encourage students to participate and showcase their latent talent. **Activity:**

One day celebration session included a very fantastic and mind blowing performances like solo and group dance, singing songs, playing instruments, historical drama and many more performances. Students grow in multiple directions if they actively participate in college festivals. Students who volunteer and organize college festivals display their self-starter attitude, which is highly appreciated by recruiters, especially while hiring for managerial positions. Besides that, students also develop four essential skills from organizing festivals – planning, teamwork, leadership, and multi-tasking. They also learn how to balance personal and professional life which helps in differentiating between doers and dreamers.

**(c)Students & Faculty response & participation:**

More than 39 performances are going to perform on stage by near about 60 participants and around 3000 and above students, teaching nonteaching faculty members, parents and many more crowd were attended the program. The participant students as well as audience response to the program was excellent and they enjoyed all performances with full energy.

#### Description:

- 5 Department of Mechanical Engineering celebrates 15<sup>th</sup> September as a "Engineer's Day" as it a birthday of Sir Mokshagundam Visvesvarayya. We conduct this session on online Zoom Meeting and Google Meet application because of lockdown to give tribute to Sir Mokshagundam Visvesvarayya who had contributed to the field of hydel energy in India and is held with high regard as a pre-eminent engineer of India.

#### (a) Introduction, Theme & Significance:

##### Introduction:

Engineering does not merely know and being knowledgeable; engineering is not merely analysis; engineering is not merely the possession of the capacity to get elegant solutions to non-existent engineering problems; engineering is practicing the art of the organized forcing of technological change.

Engineers operate at the interface between science and society. To identify the great works done by our hard working engineers each year 15<sup>th</sup> September is celebrated as Engineers' Day

which is the birth day of great engineer **Sir Mokshagundam Visvesvarayya** who was born on September 15, 1861 in a village called Muddenahalli in Karnataka.

On this occasion, Department of Mechanical Engineering organized "**Quiz Competition Event**" for students one day before.

Engineers' Day is a special day for all the engineers who give their kindly efforts to build our society and our nation.

**Theme:**

Every year, the country celebrates September 15 as **National Engineer's Day** to appreciate the contributions of **Bharat Ratna Sir Mokshagundam Visvesvaraya**. The eminent engineer, Sir Mokshagundam Visvesvaraya was an Indian civil engineer and statesman and the 19<sup>th</sup> Diwan of Mysore, serving from 1912 to 1919. He received India's highest honour, the **Bharat Ratna, in 1955**.

**Significance:**

**Engineers**, as practitioners of engineering, are professionals who invent, design, analyze, build and test machines, complex systems, structures, gadgets and materials to fulfill functional objectives and requirements while considering the limitations imposed by practicality, regulation, safety and cost. The Engineers are who collectively work to make their daily personal and professional lives more comfortable, safer, and easier to navigate. So, India celebrates every year 15<sup>th</sup> September as Engineer's Day.

**Introduction:**

१९ फेब्रुवारी म्हणजे “स्वराज्य संस्थापक छत्रपती शिवाजी महाराज” यांचा जन्मदिवस संपूर्ण भारतामध्ये हा दिवस मोठ्या आनंदाने साजरा केला जातो. याच दिवशी म्हणजे १९ फेब्रुवारी १६३० रोजी महाराष्ट्रातील शिवनेरी किल्ल्यामध्ये मासाहेब जिजाऊ आणि राजे शहाजीराजे यांच्या घरी बाळ जन्माला आले. तो काळ अखंड भारतामध्ये गुलामगिरीचा होता. अशा प्रतिकूल परिस्थिती मध्ये मुठभर मावळ्यानां घेऊन स्वराज्य म्हणजे स्वतःचे सार्या जनतेचे राज्य स्थापन करण्याचा संकल्प करणे हे अद्वितीय होय. आणि हे करून दाखवले छत्रपती शिवराय यांनी. रयतेला गुलामगिरीतून मुक्त केले, परकीय सत्ताधार्यांना पळवून लावले आणि रयतेचे सुखाचे राज्य स्थापन केले. रयत सुखी केली. म्हणून अखंड हिंदुस्थानमध्ये १९ फेब्रुवारी हा छत्रपती शिवाजी महाराजांचा जन्मदिवस मोठ्या आनंदाने आणि उत्साहाने साजरा केला जातो.

## Imperial Sports Championship 2K19 ( Annual Sports) 2018-19

### Event Report

#### Introduction:

The JSPM's Imperial College of Engineering And Research, Wagholi, Pune has successfully organized Imperial Sports Championship 2K19 as the College Annual Sports for academic year 2018-19.

The main motto of this event is to find out hidden talent of sports and sportsmanship within the college students. Also the physical fitness is very important in accordance to face academic challenges.

Due to busy academic schedule of college, the annual sports originally started in the 3<sup>rd</sup> week of September 2019. The Cricket fever was at its top as the departmental kabaddi was conducted by the respective departments at that time and that's the main flow to start annual kabaddi event.

After some busy academic time of 3<sup>rd</sup> and half months, month of January was the best time to conduct all sports in the better way.

The date 26<sup>th</sup> of December was finalized by sports committee for the lots. All the staff sports co-ordinators, sports secretaries from each of the department was present at that time. Due to the huge student's quantity, it was finalized that F. E. department, Mechanical department and Civil department will have each two teams while E&TC department & Computer department will be having a single tough team for all the games.

Later on the involvement of the students was as great as the committee had to take the decisions of conducting individual sports event viz. chess for boys

### **INTERNATIONAL YOGADAY**

#### **21<sup>ST</sup> June 2018**

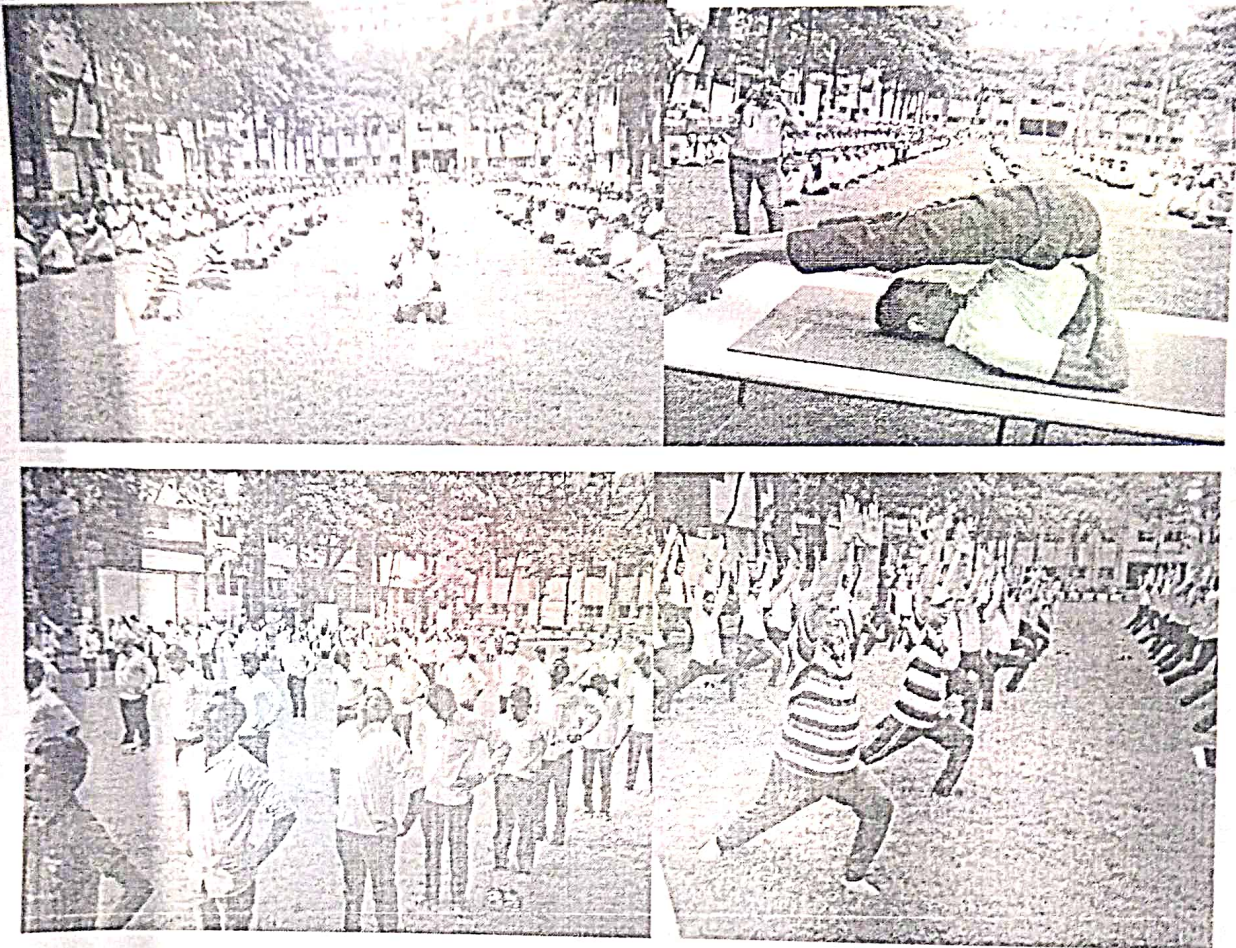

*"Yoga is the Journey of the self, to the self, through the self"*

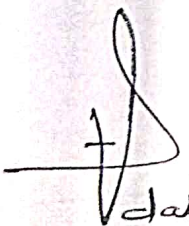

Imperial College of Engineering and Research, Wagholi, Pune has Celebrated 4<sup>th</sup> International Yoga Day on 21<sup>st</sup> June 2018.

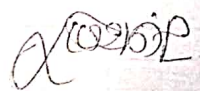

On this Occasion of Yoga Day Celebration, more than 400 students and 150 Teaching & Non-Teaching staff performed yoga between 8.30 am to 9.30 am. Yoga Teacher Mr. V. T. Date (Sports Director, ICOER) demonstrated different yoga postures like Trikonasana, Halasan, Sarvangasana, Badhkonasana, etc. before students and staff. The program is ended with Shavasana followed by National Anthem.

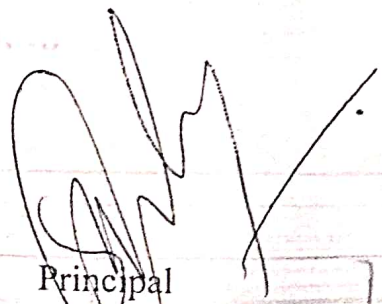

We are very much thankful to Dr. V. A. Bugade, Campus Director, Wagholi, Dr. Vivek Kayande, Campus Director, Wagholi, Dr. Sachin Admane, Campus Director, Wagholi and Dr. D. D. Shah, Principal ICOER for providing us required facilities.
