Report on Swacch Bharat Abhiyan (स्वच्छ भारत अभियान)

Swacch Bharat Abhiyan is a cleanliness drive aimed to cover 4,041 statutory cities and towns all over India in order to clean the streets, roads and other infrastructure. Swacch Bharat Abhiyan is a cleanliness campaign run by the government of India and initiated by the Honourable Prime Minister. Narendra Modi. This campaign was launched officially by the Government of India on 145th birth anniversary of the great person, Mahatma Gandhi on 2nd of October, 2014. It was launched at the Rajghat, New Delhi (the cremation ground of Mahatma Gandhi). It is a most important topic which our kids and students must know and be aware of this mission.

Under this campaign, JSPM's Imperial College of Engineering and Research, Wagholi, Pune has taken an initiative. Our student and staff have started this campaign from college itself. We've cleaned the college's entire ground. All the garbage is burnt instead of dumping into bins. After that we have planted trees with the spaces which we cleaned up. About 100 students had participated in this campaign.

After that we had gone to a nearby village named as Wade Bolhai. We have cleaned all the streets of that village, river, small play grounds. We had run this campaign in joint of NSS unit and Student Welfare unit. Our students have explained the importance of cleanliness to the villagers. This campaign helped the villagers in terms of health.

Our students have shown street play (पथनाट्य) to villagers which tells them the importance of cleanliness.

In the light of above, following photographs are attached.
